

JOIN US FOR A LAND USE INFO SESSION

Register today for "*Land Use: Planning for a Sustainable, Inclusive Future in Colorado*" that will take place via Zoom on Thursday, October 13, 2022, 6:30-8 pm.

ABOUT THE INFORMATION SESSION

Engage in the conversation and learn the most recent research on land use and what it can tell us about how we grow, develop, and have better land use outcomes for affordability, economic vitality, and environmental sustainability.

FEATURED SPEAKERS

Staff from the Colorado Energy Office, the Colorado Department of Local Affairs, and the Colorado Department of Transportation will offer insights. They will discuss their recent land use report, including available land use tools to achieve better outcomes, and what efforts are happening in other states from which we can learn.
